

Driving Directions

La Fortuna to Proyecto Asis

GPS coordinates N 10° 22.705' / W 084° 32.590'

You want to leave Fortuna by passing the High School. Leaving Fortuna in this direction is heading AWAY from the volcano. You'll go through the town El Tanque and then the small town Los Angeles.

The drive is direct with no turns until you reach Javillos. You'll know you've reached Javillos when you see a blue telephone sign that say Javillos followed by a small bridge. Next is Bar Javillos on the corner. Make the right at Bar Javillos.

We are on the right hand side after the small yellow cement bridge. If you pass La Roca, turn around.
